HISTORY/FACTS/ISSUES:

The Section 5317 New Freedom grant was approved in June of 2011. The grant provides funding for the operating costs of the deviated fixed route service with a service enhancement that covers beyond a three-quarter (3/4) of a mile deviation from the corridor for pickups within The Villages Small Urban areas of Sumter County.

The purpose of this supplemental agreement is to extend the current agreement with FDOT through June 30, 2013. The supplemental agreement is in the amount of \$25,662, bringing the total grant amount to \$300,000.

BOCC 50/50 share has been satisfied.
